### Trash Pickup for SBSC Adopt-A-Highway February 5, 2011

Once again, SBSC volunteers will make our road more beautiful. If you would like to do something that is meaningful to the community and have great camaraderie while doing it, please join us for this most worthwhile event this Saturday. We always meet in the back parking lot of McDonald's between the store and the BB&T

ATM machine. We meet at 10am. The club provides you with an orange vest for your safety and gloves. We usually go to Friday Friends following our pickup for lunch and liquid refreshments.

### SBSC HONORARY LIFETIME MEMBER AWARD

The SBSC Honorary Lifetime Member Award is a service award. Club members are encouraged to submit a nomination form for this award. The membership then votes on the nominees and the award is given at our annual Re-Up Party each year. This Honorary Lifetime member receives free membership to the club for the rest of their life. The nominee should exemplify qualities that distinguish him/her for other SBSC members for their service and commitment to SBSC. It is the highest honor that can be bestowed upon a member. There will only be one member eligible for this award each year.

**Nominations forms are available on the website, at our membership meeting Mar. 6 and at our parties. All nominations must be received no later than April 21. We will vote on that date at our membership meeting.**

## New Law in North Myrtle Beach!!

### North Myrtle Beach City Council Amends Law Governing the Use of Shading Devices on the Beach

During their December 6, 2010 meeting, the North Myrtle Beach City Council passed a new law governing the use of shading devices (tents, canopies, umbrellas, etc.) on the beach in North Myrtle Beach.

These are the highlights of the amended ordinance:

- No shading devices (tents, umbrellas, pavilions, canopies, etc.) may be set up on the beach before 8am daily
- Shading devices must be removed from the beach by 7pm daily
- Shading devices left on the beach after 7pm will be collected by the City and stored for up to 30 days. Owners can reclaim their tents during that period but must pay a \$40 fee, which goes to pay for the labor required to collect, tag and store tents left on the beach after 7pm.
- Shading devices, other than umbrellas, must be located landward of the City umbrella line or, if no City umbrella lines exists, the high tide mark.
- All shading devices must be located 20-25 feet seaward of dune line. This frees up a lane along the high tide beach for Rescue and Safety vehicles to use in the event of an emergency.
- No shading device may be larger than 12 feet x 12 feet or a total 144 square feet
- No shading device may be higher than 9-feet installed
- Shading devices may not be joined together in any manner
- Shading devices, other than umbrellas, must be placed at a minimum of 10 feet from any other shading device
- Shading devices may not be placed within 10 feet of any lifeguard stand
- Anchoring lines, if used, may not extend beyond the perimeter of the shading device
- Violation of the ordinance is punishable by a **\$250** fine.
